## **BAHT Conference 2023 'In our Hands'** **36<sup>th</sup> Annual Conference,** **6<sup>th</sup> and 7<sup>th</sup> October 2023, The Hilton Hotel, Bournemouth**

We are delighted to invite you to join us in Bournemouth for the British Association of Hand Therapists' conference to be held on 6<sup>th</sup> and 7<sup>th</sup> October 2023 at the Hilton in Bournemouth.

### **Attendance:**

Each year we welcome around 120 therapists from the UK and Europe to attend our conference. Therapist feedback is always that they enjoy having the opportunity to meet exhibitors and view a variety of products that are on the market. We hope this would provide you with an excellent platform on which to discuss, display and promote your products and services to them.

### **Face to Face event.**

We are all looking forward to meeting face to face again this year. This will enable more opportunities for those attending, both therapists and exhibitors, to network and build relationships.

All attendees will be asked to consent to the following information being provided to exhibitors: contact email address, location of work, profession. As you are aware, with the introduction of GDPR, this information can only be provided if the attendees consent.
