SECTION 1

Introduction & Rationale

The level III is designed for qualified Occupational Therapists and Physiotherapists with proven knowledge in the field of hand therapy who have successfully completed BAHT level I & II courses or Accreditation of Prior Learning (APL), gained the required number of British Association of Hand Therapists (BAHT) points & are a member of the British Association of Hand Therapists (BAHT).

The learning identified as the outcome of level III & submitted for 5 BAHT accreditation points must be relevant to the Post-qualification Hand Therapy Education Programme of the British Association of Hand Therapists (BAHT). Level III promotes recognition of professional competence in a specialist aspect of hand therapy to improve the quality of patient care & foster evaluation, audit & research in hand therapy.

It is anticipated that therapists with five or more years of practice within the speciality of hand therapy will consider applying for Level III while pursuing the goal of Accredited Hand Therapist (AHT). This document provides a summary of the different routes available for therapists to gain BAHT level III points.

Any queries regarding the BAHT level III process email:

baht.level3@gmail.com

<p style="text-align: center;">British Association of Hand Therapists (BAHT) Post-qualification Hand Therapy Education Programme</p>

LEVEL I

The Level I Course is designed for therapists with minimal or no experience of hand injuries & conditions & for therapists who wish to refresh their basic knowledge of, & skills in, the field of hand therapy. It will promote recognition for professional competence & will improve the quality of patient care (*BAHT Guidelines Level I Course*). For therapists with more than 2 years' experience of hand therapy practice please refer to the Level I APL process.

One Point is awarded for successful completion of the Level I process.

LEVEL II

The Level II Course/Process is designed for therapists with proven experience in the field of hand therapy who have successfully completed an accredited Level I Course or APL route. Level II promote recognition for professional competence in a specialist aspect of hand therapy; improve the quality of hand care; & foster evaluation & research in hand therapy (*BAHT Guidelines Level II Course*). If a candidate wishes to submit evidence of prior learning to achieve two BAHT level II points information & evidence must meet requirements of the APL level II process.

***Two points are awarded per course/APL application for successfully completion.
6 Level II points are required if delegates wish to move to the BAHT level III route.
Each two points must be gained in a different specialist area of hand therapy.***

LEVEL III

This level offers members of BAHT a challenging opportunity to demonstrate their advanced knowledge of hand therapy. Five BAHT points are awarded for successful completion of Level III. Level III can be gained in a number of ways, described in more detail on page 5.

The structure for education & training is set out in Table 1.

TABLE 1: Progression of Post-qualification Education in Hand Therapy (BAHT)

LEVEL	Target population	Content	Assessment	Outcome	Sum of BAHT points
Level I	OT/PT therapist	Introductory course see Course Guidelines	BAHT designed exam. short answer/MCQs 1 hour	Certificate Value = 1 point Eligibility for Level II	1
Level II	OP/PT specialist Eligibility via Level I Or Indicative experience via APL process	Specialist course see Course Guidelines (17 hours contact teaching)	Unseen practical or written examination (MCQ/short answers) & written assignment	Certificate Value = 2 points per Level II course Maximum 6 points. Eligibility – Level III	7
Level III	OT/PT specialist Eligibility via Level II Or Indicative experience via APL process (see separate guideline)	In-depth study (self-directed – see below) MSc Modules (see below) Hand Therapy Journal article (see below) APL (see below)	Written paper assessed by 2 independent reviewers. Via University assessment process only for accredited modules <i>or</i> additional application to BAHT ESC for recognition of a non-accredited module. Proof of publication & ownership statement Written work assessed by 2 independent reviewers	Certificate Value = 5 points	12

<p style="text-align: center;">Methods of gaining Level III BAHT Points Hand Therapy Journal Article Publication</p>

Five Level III points will be issued to candidates if they have met the following criteria:

- Therapists who have written & published a hand/upper limb related article in the BAHT Hand Therapy Journal within the past 12 months
- Completed the application form (see below)
- Submitted their CV
- Payment of £30 administration fee
- Submit a copy of the journal article
- Provide a statement that the article is 100% their own work, or co-authors can each submit two jointly published articles for consideration if both provide a signed statement to state that work was equally shared. NB in this instance it is expected that the two articles will relate to entirely separate research projects/studies as opposed to being two articles relating to the same study. Journal article applications will be considered individually.

Level III Statement of Ownership
Appendix 1**

Plagiarism is intellectual theft & is a serious form of cheating. It is the act of presenting as one's own, the ideas (including images & designs), discoveries or judgements of another person. To copy extracts without full acknowledgement (whatever the medium in which the text or image is stored), from someone else's work & to thereby convey the impression that they are one's own is plagiarism. So is the paraphrasing – restating in one's own words – of someone else's ideas without full acknowledgement. We all utilise the ideas of others; we have a most serious obligation to acknowledge them meticulously.

Plagiarism

A declaration of academic integrity

"I have read & understood the regulations on plagiarism & the work submitted is my own"
