Methods of gaining Level III points	5-6

SECTION 1

Introduction & Rationale

The level III is designed for qualified Occupational Therapists and Physiotherapists with proven knowledge in the field of hand therapy who have successfully completed BAHT level I & II courses or Accreditation of Prior Learning (APL), gained the required number of British Association of Hand Therapists (BAHT) points & are a member of the British Association of Hand Therapists (BAHT).

The learning identified as the outcome of level III & submitted for 5 BAHT accreditation points must be relevant to the Post-qualification Hand Therapy Education Programme of the British Association of Hand Therapists (BAHT). Level III promotes recognition of professional competence in a specialist aspect of hand therapy to improve the quality of patient care & foster evaluation, audit & research in hand therapy.

It is anticipated that therapists with five or more years of practice within the speciality of hand therapy will consider applying for Level III while pursuing the goal of Accredited Hand Therapist (AHT). This document provides a summary of the different routes available for therapists to gain BAHT level III points.

Any queries regarding the BAHT level III process please email
baht.level3@gmail.com

<p style="text-align: center;">British Association of Hand Therapists (BAHT) Post-qualification Hand Therapy Education Programme</p>

LEVEL I

The Level I Course is designed for therapists with minimal or no experience of hand injuries & conditions & for therapists who wish to refresh their basic knowledge of, & skills in, the field of hand therapy. It will promote recognition for professional competence & will improve the quality of patient care (*BAHT Guidelines Level I Course*). For therapists with more than 2 years' experience of hand therapy practice please refer to the Level I APL process.

One Point is awarded for successful completion of the Level I process.

LEVEL II

The Level II Course/Process is designed for therapists with proven experience in the field of hand therapy who have successfully completed an accredited Level I Course or APL route. Level II promote recognition for professional competence in a specialist aspect of hand therapy; improve the quality of hand care; & foster evaluation & research in hand therapy (*BAHT Guidelines Level II Course*). If a candidate wishes to submit evidence of prior learning to achieve two BAHT level II points information & evidence must meet requirements of the APL level II process.

***Two points are awarded per course/APL application for successfully completion.
6 Level II points are required if delegates wish to move to the BAHT level III route.
Each two points must be gained in a different specialist area of hand therapy.***

LEVEL III

This level offers members of BAHT a challenging opportunity to demonstrate their advanced knowledge of hand therapy. Five BAHT points are awarded for successful completion of Level III. Level III can be gained in a number of ways, described in more detail on page 5.

The structure for education & training is set out in Table 1.

TABLE 1: Progression of Post-qualification Education in Hand Therapy (BAHT)

LEVEL	Target population	Content	Assessment	Outcome	Sum of BAHT points
Level I	OT/PT therapist	Introductory course see Course Guidelines	BAHT designed exam. short answer/MCQs 1 hour	Certificate Value = 1 point Eligibility for Level II	1
Level II	OP/PT specialist Eligibility via Level I Or Indicative experience via APL process	Specialist course see Course Guidelines (17 hours contact teaching)	Unseen practical or written examination (MCQ/short answers) & written assignment	Certificate Value = 2 points per Level II course Maximum 6 points. Eligibility – Level III	7
Level III	OT/PT specialist Eligibility via Level II Or Indicative experience via APL process (see separate guideline)	In-depth study (self-directed – see below) MSc Modules (see below) Hand Therapy Journal article (see below) APL (see below)	Written paper assessed by 2 independent reviewers. Via University assessment process only for accredited modules <i>or</i> additional application to BAHT ESC for recognition of a non-accredited module. Proof of publication & ownership statement Written work assessed by 2 independent reviewers	Certificate Value = 5 points	12

Methods of gaining Level III BAHT Points

1. **The Level III Project.** The proposed Level III project should be a completely new piece of work relevant to the field of hand therapy & may take the format of a review paper, employment-based report or research study/audit. ***The level III project guidelines & application form*** describe in detail the process for gaining 5 BAHT Level III points via this route.
2. **Accreditation of Prior Learning (APL).** The APL route is for therapists who have already commenced or previously completed a project which equates in content & length to a Level III project. If therapists meet this criteria, they must use the APL route at Level III. ***The level III APL guidelines*** describe in detail the process for gaining 5 BAHT Level III points via this route.
3. **University of Derby MSc.** Therapists who have successfully completed an MSc Hand Therapy through Derby University can equate the qualification with 6 BAHT points at Level II & 5 BAHT points at Level III. On successful completion of this route the university will inform BAHT & the level III points will be awarded. ***Refer to the Accredited Hand Therapist Guidelines.***
4. **Brunel University MSc module.** Therapists who have successfully completed the second MSc Hand Therapy module through Brunel University can equate the qualification with 5 BAHT points at Level III. On successful completion of this route the university will inform BAHT & the level III points will be awarded. Please refer to the BAHT website course section or University website for further information. ***Refer to the Accredited Hand Therapist Guidelines.***
5. **University of Ulster MSc Module.** Therapists who have successfully completed the MSc Upper Limb/BAHT Module through Ulster University can equate the qualification with 5 BAHT points at Level III. On successful completion of this route the university will inform BAHT & the level III points will be awarded. Please refer to the BAHT website course section or University website for further information. ***Refer to the Accredited Hand Therapist Guidelines.***
6. **University of Nottingham MSc Module – Upper Limb Injection Therapy Module (level 7 20 credits).** Therapists who have successfully completed the MSc Upper Limb Injection Therapy module through Nottingham University from the academic year 2013/14 onwards can equate the qualification with 5 points at Level III. On successful completion of this route the university will inform BAHT & the level III points will be awarded. Please refer to the BAHT Website courses section or the university's website for further information (<https://www.nottingham.ac.uk/pgstudy/course/taught/Physiotherapy-MSc>).

7. **University of Essex MSc Module – Work Based Learning Module (level 7 30 credits).** Therapists who have successfully completed the MSc Work Based Learning module through Essex University from the academic year 2019/20 onwards can equate the qualification with 5 points at Level III. On successful completion of this route the university will inform BAHT & the level III points will be awarded. Please refer to the BAHT Website courses section or the university's website for further information.
(<https://www.essex.ac.uk/courses/pg00438/4/postgraduate-certificate-advanced-musculoskeletal-assessment-and-practice>).
8. **Other University MSc Modules.** Therapists may have completed/wish to complete an MSc module outside of those affiliated modules listed above. If this module is specifically relevant to their learning & development within Hand & upper limb Therapy practice it may be suitable for Level III accreditation. In these circumstances therapists can apply to have their module considered by the ESC by completing an application form & reflective piece of work. Five Level III points will be issued to candidates meeting the criteria laid out by BAHT & each therapist's application will be considered on a case by case basis. Modules completed by a maximum of 2 years prior to the date of application can be considered. ***The level III Other university MSc Module guidelines & application form*** describe in detail the process for gaining 5 BAHT Level III points via this route.
9. **Publication of Journal Article in Hand Therapy.** Therapists who have written & published a hand/upper limb related article in the BAHT Hand Therapy Journal within the past 12 months can qualify for 5 points at Level III. Five Level III points will be issued to candidates meeting the criteria laid out by BAHT. ***The level III Journal Article guidelines & application form*** describe in detail the process for gaining 5 BAHT Level III points via this route.
