

# BAHT Pump Priming Grant Application Form (Max £2,000)

## Purpose of this Award

This pump priming grant supports early-stage research activity designed to develop an idea and strengthen a future application to the BAHT 2027 Research Grant. Applicants must be full BAHT members for at least one year prior to the closing date. Receipt of a Pump Priming Grant does not confer any advantage in the assessment of future BAHT Research Grant applications, which are reviewed independently.

Successful applicants must begin the funded activity within 6 months.

## 1. Applicant Details (Leave this blank on the anonymous version)

Full Name	
Job Title	
Department/Service	
Organisation	
Address	
Email	
Telephone	
BAHT Membership Number	

## 2. Project Information

Title of Proposal	
Amount Requested (£)	
Proposed Start Date	
Project Length / End Date	

### **3. Research Background (250-300 words)**

*Please include: Your research area and a brief summary of current evidence; Current gap in knowledge; Why this matters for hand therapy practice or service users; How this relates to national research priorities e.g. James Lind Alliance (if applicable). This section should be concise and does not require a full literature review.*

#### **4. Proposed Activity and future development (400-500 words)**

*Describe: Describe the activity you are requesting funding for and how it will help develop your research idea towards a future BAHT Research Grant application. This might include, for example, a pilot study, PPI activity, training or a masters module, or other preparatory work. Please outline what you will do, why this is the next step, and what you expect to gain from it. Include a brief indication of timing and what you aim to achieve within the first 6 months.*

## **5. Outputs at Completion**

*List expected outputs (e.g. feasibility report, pilot data, PPI summary, conference abstract, module completion, protocol draft)*

A large, empty rectangular box with a thin black border, intended for listing expected outputs at completion. The box is currently blank.

## 6. Budget Summary

For each expense provide cost, justification, and link each item directly to activities in Section 4. Unjustified costs cannot be funded. Guidance: Provide detailed costs. For PPI follow national guidance: <https://www.invo.org.uk/resource-centre/payment-and-recognition-for-public-involvement/>

Expense	Cost (£)	Justification

## 7. Ethics and Governance

State whether ethics and/or R&D approval are required and outline your plan to obtain this if applicable

Ethics approval required? Yes / No / Unsure

R&D approval required? Yes / No / Unsure
