

CBT in Chronic Pain

An online course suitable for all staff working with chronic pain

Tuesday 14th November 2023

- Basic principles of CBT and how it works in chronic pain
- Where does CBT fit in relation with chronic pain?
- How taking a psychological approach can affect pain
- Understanding the relationship between thoughts, emotions & chronic pain
- Understanding the techniques used to treat chronic pain
- How to deliver CBT techniques in pain management

TECHNIQUES TAUGHT CAN BE UNIVERSALLY APPLIED FOR ALL CHRONIC PAIN PATIENTS BUT CASES DISCUSSED WILL HAVE A HAND FOCUS
